## NEW EXHIBIT OPENS SUNDAY

The new year looks to be a fun-filled and rewarding time at the Wayne County Museum. The newest exhibit, which opens on January 24, will highlight Wayne County's Businesses and Industries. This exhibit will feature some unique and rare artifacts covering Banking, Agriculture, Milling, and Architecture.

Charles Ellis, who is chairman of the exhibit committee, has pulled together some extraordinary pieces of history; and if you're not careful, you may find some old memories lingering around.

A special ribbon cutting ceremony for the event will be held on Sunday, January 24 at 2:00, with refreshments available.
